Weekly Recap

7th Grade Boys basketball played two road games last week and were limited to one practice. On Tuesday night we played at Raymond Park winning 67-19. All nine players scored with Cunningham leading the team with 17 points. We were tested on Thursday night against a tough Chapel Hill team and found ourselves tied at halftime 18-18. In the second half we played better, eventually pulling away at the end to secure a 7-point win 43-36. Kaleb Elkins led the scoring with 15 points while KJ Jones and Trey Cunningham each scored 9 points. The B team was down 2 at half, one point at the end of the third and was down 6 points with a minute to play. They fought back to 2 down and had a chance to tie it at the buzzer, but the shot didn't fall. Aaron Amos led all scorers with 14 points and Caden Barney had a solid performance chipping in 10 points.

We have a busy week this week during finals week with three games as we head into winter break. We play at home Monday night against Fishers JH. This will be an A/B game. We play at Eastwood MS on Tuesday night. This will be an A game only. We play at home Thursday night against Lynhurst for an A/B game.
